Study
Study Location: Human Dynamics Laboratory
Human Performance Laboratory

Study Information

Overview
Welcome, and thank you for considering participating in the UF Running Medicine Clinic Research Contact Registry. Through this service you'll receive these benefits: Our e-Newsletter, periodic information about upcoming UF Running Medicine seminars, and opportunities to participate in ongoing research. The information stored will be part of a research database used to contact potential participants in future studies. Registration is a simple, two-part process that will take only a few minutes to complete.

Please visit our UF Running Medicine Clinic Research Contact Registry to begin the sign-up process.

Division: Physical Medicine & Rehabilitation Research

Location
Human Dynamics Laboratory
Human Performance Laboratory
