

ACADEMIC PHYSIATRIST
Musculoskeletal/Sports Physician

The **University of Florida Department of Orthopaedics and Rehabilitation** is currently seeking candidates who are a board certified or board eligible **Physiatrist** to join the Division of Physical Medicine and Rehabilitation at the level of assistant/associate professor or professor. Salary and faculty rank will be commensurate with experience and academic qualifications. This position is available either on tenure-accruing track or a non-tenure accruing track. This is an exciting opportunity to practice in a multidisciplinary outpatient musculoskeletal and sports medicine clinic. The position will be integrated among a dynamic faculty comprised of surgical and non-surgical musculoskeletal and sports medicine specialists. Responsibilities include patient care, electrodiagnostics and the teaching fellows, residents, and medical students. Research opportunities and support are available within one of the nation's premier Orthopedics/PM&R laboratory complexes. The ideal candidate will be highly motivated, progressive, and work well as part of a team.

The anticipated start date is on or before July 1, 2012. Qualified applicants should forward a cover letter, curriculum vitae and any available letters of recommendation, referencing requisition # 0805641, and position # 00025904 by the application recruiting deadline of October 31, 2011 to:

Kevin R. Vincent, MD, PhD
Chief and Assistant Professor
Division of Physical Medicine & Rehabilitation
