**Description:**

This course is specifically designed for healthcare professionals who have an interest in sports medicine. The course will encompass presentations on diagnosis, treatment, research, education and prevention of athletic injuries presented by experts from many different areas of Running Medicine. The format consists of lectures and breakout sessions, and will include ample time for participants to network with the faculty. Sport medicine physicians, orthopaedic surgeons, physical therapists, athletic trainers and other healthcare team members are invited to Clearwater Beach for an informative and engaging conference that provides opportunities to network with colleagues, and to have specific questions answered by experts.

**Sponsoring Facility:**

Orthopaedics and Sports Medicine Institute
