MyUFHealth Patient Portal

MyUFHealth a patient portal that allows you to access portions of your medical record from your computer or smart device. Participate in your health care by having the ability to access information on your own schedule, review your test results online, communicate with your provider securely, and view your health record 24/7 at work, on the road or at home.

- [MyUFHealth MyChart](#)

Get started by visiting the [MyUFHealth MyChart](#) website

- **Communicate with your doctor**

Get answers to your medical questions from the comfort of your own home

- **Access your test results**

No more waiting for a phone call or letter - view your results and your doctor's comments within days

- **Request prescription refills**

Send a refill request for any of your refillable medications

- **Manage your appointments**

Schedule your next appointment, or view details of your past and upcoming appointments
