Dr. Kevin Vincent was elected to the position of Vice President of the American College of Sports Medicine (ACSM). The American College of Sports Medicine advances and integrates scientific research to provide educational and practical applications of exercise science and sports medicine. The electorate consists of more than 50,000 members and certified professionals from 90 countries around the globe who represent 70 occupations within the sports medicine field. This honor was the culmination of over 28 years of service to the organization and serving on numerous committees and the Editorial Board of the flagship ACSM journal, Medicine and Science in Sports and Exercise.
