Please RSVP to EducationOffice@ortho.ufl.edu [11]

Topic: Brains and Sprains: The Role of Neurocognition and Concussions in Injury Risk and Rehabilitation

- 5:30pm - 6:00pm: Buffet
- 6:00pm - 7:00pm: Presentation
- 7:00pm - 7:30pm: Discussion, Question and Answer session

Learning Objectives

Upon completion of this activity, participants should be able to:

1. Evaluate basic principles of performing a successful ACL reconstruction
2. Determine a selection process for graft choice in reconstructing the ACL
3. Summarize the relationship between a torn ACL and the onset of osteoarthritis of the knee.

Disclosure

Dr. Peter Indelicato disclosed that he is a stock shareholder with RTI Surgical.

Activity Director, Dr. Thomas Wright, disclosed that he received research grant fund from Exactech, is a consultant for Exactech, and also receives royalties from Exactech.

Planning Committee Member, Dr. Mark Scarborough, disclosed that he is a consultant for Exactech. No one else in a position to control content has any financial relationships to disclose.

Accreditation

The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit

The University of Florida College of Medicine designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should claim credit commensurate with the extent of their participation in the activity.
