

GRAND ROUNDS

Carlos A. Higuera-Rueda, MD
Director, Orthopaedic and Rheumatologic Center
Chair, Levitz Department of Orthopaedic Surgery
Cleveland Clinic - Weston, FL

“PJI – Prevention, Diagnosis and Treatment; What is In and Out”

Thursday, November 15, 2018

Buffett 5:30 - 6pm Presentation 6 - 7pm Q&A Session 7 - 7:30pm

LEARNING OBJECTIVES:

Upon completion of this activity, participants should be able to:

1. Discuss current trends for prevention, diagnosis and treatment of periprosthetic joint infection (PJI)
2. Analyze when and why is appropriate to start antibiotic treatment when PJI is suspected
3. Review the main limitations for diagnosis and treatment of PJI

Disclosure

Dr. Higuera-Rueda disclosed that he receives grant/research support from KCI, Zimmer Biomet and CD Diagnostics. He is also a consultant for KCI and Zimmer Biomet.

Activity Director, Dr. Thomas Wright, disclosed that he received research grant fund from Exactech, is a consultant for Exactech, and also receives royalties from Exactech.

Planning Committee Member, Dr. Mark Scarborough, disclosed that he is a consultant for Exactech. No one else in a position to control content has any financial relationships to disclose.

Accreditation

The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit

The University of Florida College of Medicine designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
